Who We Are

Riverfront Theatre Company Inc. is a registered charity providing theatrical training and performance experience to the youth of Windsor and Essex County, through the generous support of our sponsors and our community, with the help of an exclusively volunteer staff, at minimal cost to the participating families.

Riverfront Theatre Company provides all youth, regardless of ethnic, social or economic background, the opportunity to participate in a collaborative theatre experience. We offer a safe, accessible, open forum in which young people can express themselves and we provide them with the resources, tools and leadership to study, produce, promote, market and perform live theatrical works. It is our firm intention to ensure that live theatre is also accessible and affordable for our audiences and the community in which we operate.

Since 2004, Riverfront Theatre Company has brought to life **49 theatrical productions** in the Windsor community. We have had the pleasure of performing at venues including: The Capitol Theatre, The Olde Walkerville Theatre, and KordaZone Theatre, as well as at our home stage at Paulin Memorial Church.

Some of our most recent productions include:

- **Where There's a Will** (2018-2019)
- **Mary Poppins** (2018-2019)
- **Frozen Jr.** (2019-2020)
- **The Grunch** (2021-2022)
- **No Complaints** - RTC original production (2022)
- **Sister Act Jr** (2022-2023)
- **Shrek the Musical** (2022-2023)
- **The Velveteen Rabbit** (2023-2024)
- **A Wrinkle in Time** (2023-2024)
- **Madagascar Jr** (2023-2024)
- **Les Misérables: School Edition** (2024-2025)

What We Do

At Riverfront Theatre Company we aim to operate a barrier-free theatrical company, and provide students from 6 to 18 with weekly rehearsals throughout the school year, leading up to on stage productions at different points throughout the season.

Participating in our program helps our young people develop skills that will stay with them throughout their lives:

- Self-discipline
- Self-esteem
- Social skills
- Team work
- Leadership skills
- A life-long interest in the arts
- Adaptability & flexibility
- Oral communication
- Commitment
- Motivation

In June 2015, we adopted the concept of being a “warm place for cold penguins,” and took on ‘penguins’ as our official “spirit animal.” It’s this mentality that we hold near and dear to our hearts, ensuring that everyone feels safe and included.

Over the years, RTC has developed initiatives to help our community and our graduating students. The Riverfront Educational Initiative (REI) is used to subsidise or pay for underprivileged students’ tickets) and our Student Scholarship fund goes to assist graduating students in good standing with post-secondary tuition, supplies, or books.

Our annual operational funds are generated through ticket sales, fundraising, and community sponsorship.

This season, we are excited to produce *We Open Tomorrow Night?!*, *We Are Monsters*, and the Windsor-Essex Premiere of *The Prince of Egypt*!
